### NB INTERNATIONAL STUDENT PROGRAM

Nackawic High School is planning to participate in the New Brunswick International Student Program again next Year. This year, we are hosting one Grade 11 student from Germany for the entire school year and two Grade 12 students from Brazil for 2<sup>nd</sup> semester. We are hoping to expand the program, but in order to do so, we are seeking to increase the number of participating host families for the 2019/2020 school year. Becoming a host family to a student from a different country and culture is both an enriching and challenging experience. Placements can be from September to January; February to June or for the entire school year. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in extra-curricular and community activities for the duration of their visit. A host family does not need to have a child who currently attends Nackawic High. Many grandparents, single adults and empty-nesters have volunteered to host students. There is also a financial incentive for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an International student next year, if you have any questions about the program, if you would like to speak to experienced hosts, or if you would like more information about the responsibilities of host families, please contact Sean Newlands at [sean.newlands@nbed.nb.ca](mailto:sean.newlands@nbed.nb.ca) or call 575-6042 Please share this information with any family or friends that may be interested in hosting as well.

### 9<sup>TH</sup> ANNUAL NHS GIVES BACK!

On Friday afternoon, May 24<sup>th</sup> (rain date: Friday afternoon, May 31<sup>st</sup>), Nackawic High School students are working as volunteers doing odd jobs for the citizens of Nackawic and surrounding communities. From 1:00 – 3:00 pm, work crews will be assigned to each job that is called in. If you have anything you need done, all you have to do is call the school at 575-6020 beginning Monday, April 29<sup>th</sup>, and tell us your address, phone number, give a description of the job and how many students are required (deadline is Monday, May 13<sup>th</sup>). You will need to provide the tools and materials, such as garbage bags, rakes and paint, but we will supply the "student power"! Teachers will be supervising several work crews at a time so, if you can't be at home during that afternoon, please be sure that another adult is there.

This has been a wonderful experience for us to be involved in and staff and students alike are excited about this opportunity to give back to our community!
