Nackawic High School will be participating in the New Brunswick International Student Program

again next year. This year, we have already confirmed placements for two full-year students from Germany, and one half-year student from Turkey arriving in late January. We are hoping to expand the program even further, but in order to do so, we are seeking additional host families for these students. We are currently seeking host families for 2nd semester (late January to June) and for the 2020-2021 school year. Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in extra-curricular and community activities for the duration of their visit. A host family does not need to have a child who currently attends school. Many grandparents, single adults and empty-nesters have volunteered to host students. There is also a financial incentive for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an International student next year, or if you would like more information about the responsibilities of host families, please contact Sean Newlands at 575-6041 or by email at sean.newlands@nbed.nb.ca.

Sure Life Assembly Church will be hosting a Special Ladies night on Friday, September 27th at 7 pm with speaker Shyanne Pangburn. Light refreshments will be served. Everyone Welcome!

Everyone will receive a finisher medal, a water bottle, and a chance to win a draw prize. Last year we welcomed around 300 participants to our "last-race-of-the-season" event, which is sponsored by Liv9 Nutrition, Ryan's Pharmacy, and the Town of Nackawic (more sponsors announced soon).
