The Nackawic Lions Community Centre is open for bookings. When you call for a booking please remember that the renter is in charge of ensuring all Covid regulations are followed. Before the hall is booked you will have to explain how the Covid regulations are going to be enforced. Any group over 20 will require masks to enter the hall. Once they are in the hall and can achieve 6-foot distance and sitting, they may remove the mask. If they walk around the hall or go to the washroom, they will have to put masks back on. The group using the hall is responsible for the Covid cleaning where everything that has been touched has to be disinfected before the next group uses the hall. Until Covid is behind us, use of the kitchen will be off limits. If your group requires the use of the kitchen, they have to discuss this with Lions Booking agent. For Hall Bookings Call Brian Toole at 575-2885

Welcome back to school! We are still accepting donations to keep our minds healthy at school. We spend our donations on food and equipment to play with at outdoor recess times. Donations can be made to Mrs. Priest as she looks after buying the supplies. We are limiting the number of visitors to the school so please call ahead and let the secretary know you are coming to donate to our Healthy Minds account to the attention of Mrs. Priest. In lieu of serving breakfast as in the past, due to our new Covid 19 Guidelines and Operational Plan, each classroom is provided with extra breakfast snacks so no one is left hungry in the mornings. We also provide classrooms with lunch snacks to top up lunches and we provide lunch to those who have none. Our money is also spent on toys to play with when we are outside at recess: skipping ropes, balls, dinky cars, chalk, etc. "Thank you" goes out to our donors already this year: NVFD and Bradwell Wilson. If you have any questions about our "Healthy Minds Program" or are interested in donating, please call Mrs. Priest at 575-6000.
