

# Wheels to Wellness

An initiative of  
**Nackawic & Area Wellness**  
**Be Part of the Energy**

The intent of this Wheels to Wellness Program is to provide support to those who have limited or no means of transportation to and from medical appointments.

Your Driver is a volunteer. They carry out their responsibilities as a free service to members of the community.

The volunteer drivers for the Wheels to Wellness program have successfully obtained a *Vulnerable Sector Check* with the RCMP and have completed an application form for the program.

Your driver understands that all calls are to be booked through **Linda Brewer at 575-1999**.

Thank you for being a part of this initiative; it could not continue without our volunteer drivers and our clients.

We are blessed to live in a community where people look out for their neighbours.

**Need a drive to a medical appointment?  
Call Wheels to Wellness**

All calls are booked through **Linda Brewer 575-1999**; or by emailing [brewer\\_118@msn.com](mailto:brewer_118@msn.com)

If possible, we require 48 hours notice, however we will make every effort to accommodate last-minute requests.

- **If you have no vehicle, the fee for a drive to a medical appointment outside of Nackawic is \$15 for trips to River Valley; Oromocto or Fredericton. To Saint John are \$30.**
- **If you have a car but prefer to use the services of Wheels to Wellness: i.e. our volunteer, their car, the charge is \$15.**
- **If you prefer to have our volunteer drive your personal vehicle, there will be no charge.**
- **Trips to and from the Medical Clinic or doctor, from Nackawic; Millville; Queensbury; Southampton, will be provided as a neighbourly gesture, free of charge.**

In order to make the most efficient use of the vehicle, the dispatcher shall attempt to coordinate drives, such that two or more passengers may share a trip. This may require some juggling of times. Fees will be the same for each person sharing the drive. Each will pay the \$15 fee.

Please pay your driver the appropriate fee. The client pays parking fees. The Volunteer driver will provide the payment to the Town of Nackawic which oversees the program.

Drivers are not expected to make unscheduled stops on the way to and from appointment. Because out patient visits may require a stay of two hours or longer, a driver may decide to return home. If the driver returns for the client, an additional \$10 fee will be charged.

First Thursday of the month shopping trip - Participants will share the cost of the drive to a minimum of \$5.
