Nackawic High School is participating in the New Brunswick International Student Program

again this year. This semester we are excited to welcome 6 students from Germany, France, Tukey, Japan and China. We are still accepting applications for host families for 2<sup>nd</sup> semester, from February to June. Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime. By sharing your home and offering guidance to your student, your family becomes an important part of their life. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in extra-curricular and community activities for the duration of their visit. A host family does not need to have a child who currently attends school. Many grandparents, single adults and empty-nesters have volunteered to host students. There is also a financial incentive of \$700/month for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an international student next year, or if you would like more information about the responsibilities of host families, please contact Sean Newlands at 575-6041 or email [sean.newlands@nbed.nb.ca](mailto:sean.newlands@nbed.nb.ca).

The Lotto Factory Global – Fredericton (TLF) will be running a progressive 50/50 Lottery on the club's behalf. The draws will be an ongoing revenue stream for the club

that takes place all year round and costs \$2.00 per week. There is no commitment to purchase tickets every week and you do not need to be an active member of the club to participate. For those who sign up, the draws are done automatically Thursdays, and will commence October 28<sup>th</sup>. [www.snowdrifters.thelottofactory.com](http://www.snowdrifters.thelottofactory.com) [www.snowdrifters.goplay5050.com](http://www.snowdrifters.goplay5050.com). Information on permits can be located on the NBSFC website. There are a few minor changes this year, so it is a good idea to check things out. [www.nbfsc.com/index.php/permits](http://www.nbfsc.com/index.php/permits). Next monthly meeting will take place on November 8<sup>th</sup>, 7:30 pm at the Nackawic Golf Club.

## **THANK YOU**

To UNIFOR Local 219 for your thoughtfulness, kindness and generosity. These past few weeks have been hell on earth for me but I am slowly gaining strength and trying hard to get back on my feet so I can do the things I use to do. Your prayers have made a big difference and your calls always bring joy in my heart. So please know, that even though I am home still recuperating, that I miss all of you. Prayers are still welcome and I strongly believe that they help so please bring them on. I was not expecting this but it was very much appreciated. Thank you from the bottom of my heart. This will not be forgotten. \*Gary Inglehart
