NB International Student Program

Nackawic High School is currently enjoying its most successful year ever with the New Brunswick International

Student Program. Over the course of the year, we have hosted 7 students from 6 countries around the world. We are currently searching for host families for next year's international students. Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime. By sharing your home and offering guidance to your student, your family becomes an important part of their life. Placements can be from September to January, February to June, or for the entire school year. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in extracurricular and community activities for the duration of their visit. A host family does not need to have a child who currently attends Nackawic High School. Many grandparents, single adults and empty nesters have volunteered to host students. There is also a financial incentive of \$700/month for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an international student next year, if you have any questions about the program, or if you would like more information about the responsibilities of host families, please contact Sean Newlands at 575-6041 or by email at sean.newlands@nbed.nb.ca.

THANK YOU

Thank you so much to this beautiful community of Nackawic who have shown so much compassion, love, and caring by helping us through these last few months. It has been very difficult but just knowing that friends like all of you are nearby to help means so much. Thank you to everyone who brought food, and especially for all the prayers, thoughts, phone calls, cards, Facebook messages and your words of encouragement. Thank you to Dr. M. Khaladuzaman, Dr. Anan, Dr. Jones, Extra Mural Medical group, everyone at Hospice and all the donations to Cancer Society and to Hospice Fredericton. Please forgive me if I have left anyone out. I would not have been able to go through this without your help. Thank you from the bottom of my heart.
